

Community Electric Cooperative offers second-party notification. This service allows for a second party to be notified of the potential discontinuance of electrical service. This service can be utilized by the elderly or disabled to ensure that a friend, neighbor, or relative is notified if service is nearing disconnection. The contact person is under no obligation to pay the member's bill.

If you are not taking advantage of this service but wish to do so, please complete the form and return it to the Cooperative.
